For fabric cards, please contact the fabric houses directly.
For genuine leather colours, we will happily quote on request
Please allow extra fabric for pattern matching/repeating.

Discover comfort crafted close to home. Our locally manufactured office chairs blend ergonomic design with quality craftsmanship, ensuring every seat supports your success. Experience the difference of chairs made with care, right here

We're committed to a greener South Africa. Our chairs are crafted from carbon-neutral plywood, ensuring sustainable comfort without compromise. Join us in reducing our carbon footprint—one seat at a time

Designed for productivity, our chairs are ideal for 6-8 hours of continuous comfort. Engineered with your workday in mind, they provide ergonomic support and durability you can rely on, hour after focused hour

Our recyclable designs redefine sustainability. Commit to comfort with chairs that are as kind to the environment as they are to your back. Make a sustainable choice today

Unlock comfort with our sleek, ergonomic chairs. Engineered to support your posture and boost productivity, each chair blends style with functionality for an unparalleled seating experience. Elevate your workspace with ergonomic excellence

Experience confidence in your comfort. Our chairs come with a 5-year guarantee, ensuring peace of mind with every purchase. Experience lasting quality and support that stands the test of time
